## LUXURY

Amber's Mediterranean Luxury Bathroom package epitomises a sophisticated and opulent aesthetic that captures the essence of the sun-drenched villas in Southern Europe. It boasts a palette of warm, earthy tones and incorporates natural materials, evoking a sense of escapism and luxury. The Nero Opal Brushed Bronze tapware takes centre stage as its stark contrast against the earthy backdrop achieves perfect synergy, marrying old-world charm with contemporary luxury. This tapware not only adds a stunning and functional focal point but also truly defines the Mediterranean bathroom experience. The Crosscut Marfil floor and wall tiles, with their natural travertine-like elegance, infuse the space with a rustic charm. To enhance the Mediterranean ambiance, a striking feature wall adorned with Clay Terra terracotta-look tiles adds depth and character, seamlessly uniting both materials.
