Shipdeck

If you're looking for a stunning natural timber look paver that's available in a large concrete size, Shipdeck is the best option for you. Shipdeck is ideal for outdoor areas and its stunning natural timber look won't degrade over time like real wood. However, as Shipdeck is exclusive to us, you'll only find it available in Amber stores.

Shipdeck has been manufactured from the high-quality materials and is available in 2 beautiful colour tones: Driftwood and Copper. To ensure that your Shipdeck pavers will stand the test of time, our team highly recommends sealing them with Amberseal.

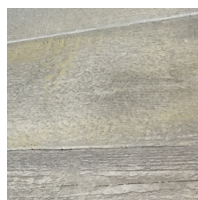

To make adding this stunning exclusive range easy, Amber has made pavers available in a 275x900mm size with a depth of 40mm. No matter where you're planning on adding Shipdeck to your outdoor area, you'll be utterly speechless when you see the end result.

Why choose Shipdeck?

- Ideal for all kinds of outdoor areas
- 2 beautiful colour options to choose from
- 275x900mm size pavers with a depth of 40mm
- Accurately replicates the look of natural timber
- Manufactured from the finest materials available

If you're interested in talking to an expert at Amber about the exclusive Shipdeck range, please visit one of [our stores](#) today. Alternatively, you can browse through our other stunning [Concrete Pavers](#) now.
