Limestone Beige

When it comes to an authentic limestone look porcelain tile that's simply stunning, Limestone Beige is an obvious choice. Limestone Beige has a sophisticated charm that enables it to be easily added to all kinds of indoor environments. What's more, this beautiful porcelain tile is hard wearing and only requires low maintenance to stay looking great.

Limestone Beige is chosen by designers for its beauty and versatility, and often ends up being installed in kitchens, bathrooms, bedrooms and living areas. Manufactured from the highest-quality porcelain available in Asia, Limestone Beige is certainly not the kind of tile to ever disappoint.

Although Limestone Beige is only available in Beige, the soft tone and natural look of this tile means it can easily integrate with most décor styles. Tiles come in 600x600mm, so you won't have any trouble fitting this into rooms of all sizes and varieties.

Why choose Limestone Beige

- Perfect for all kinds of indoor areas
- Available in stunning 600x600mm tiles
- Made from high-quality porcelain
- Available in an gorgeous natural Beige tone
- Hard wearing with low maintenance requirements
