Phoenix Sandstone

If you've been trying to find a gorgeous stone look tile that works perfectly in both indoor and outdoor areas, Phoenix Sandstone is a clear choice. This stunning tile range accurately replicates the veining and colour palette of natural sandstone which adds warmth and sophistication to any setting.

We've made sure that Sandstone Porcelain is available in 2 gorgeous colour tones for you to choose from: Phoenix Sandstone and Phoenix Greige. This enables them to be easily integrated with existing or future décor schemes. In addition to this, Phoenix Sandstone is non-porous and extremely hardwearing which makes it a great long term investment for property owners everywhere.

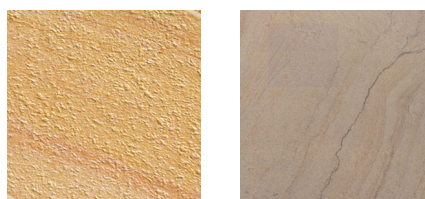

So that Phoenix Sandstone can be easily installed into new or existing designs, we've made tiles available in 600x300mm, and 600x600mm sizes. No matter the size of the area you are looking to add beautiful Phoenix Sandstone tiles to, Amber has what you need.

Why choose Sandstone Porcelain?

- Perfect for indoor and outdoor areas
- Manufactured from high-quality porcelain
- Tiles come in 600x300mm and 600x600mm sizes
- Accurately replicates veining and colour tones of natural sandstone

If you'd like to speak with a friendly member of our team about the stunning Phoenix Sandstone range, please visit one of [our stores](#) today. Alternatively, have a look at our other [Porcelain and Ceramic](#) tiles now.
