

The below products have been shared with you through the Amber website. Visit [www.ambertiles.com.au](http://www.ambertiles.com.au) for more Amber products.

## Sense

Nature's remarkable sandstone formations have inspired the design of this porcelain range. Swirling lines of soft, earthy colours give an elegance to indoor and outdoor areas - discrete but making a statement.

Available in the two most popular sizes and in 3 finishes (matt, lappato and antislip), this range is perfect to complete the flow of interior to exterior areas. Its natural look will integrate the outdoor look and feel into your modern space inside.
